SENATOR LAMB: Thank you, Madam Chair and members. I think this has been an excellent discussion. I think it is a bill that is worthy of advancement and passage. The Beutler amendment, which was adopted, severely cripples the bill. I don't know if that can be worked around. I am not sure that it can. But at this point, I would ask that the bill be advanced and I would give the rest of my time to Senator Wickersham.
